### A Message from Our President...

June 2011 Edition

Ladies,

Ladies, WOW, what a great job you all did to make Region 6 Forum a huge success. I truly appreciate all the long hours and hard work that each of you put into making this as smooth as everything went. I hope that each of you were able to get something of value from Forum even though you also were helping to host the event. I am looking forward to the next opportunity to see all the ladies from our region as well as our out of region guests. If you thought interacting with everyone at Forum was as fantastic as I found it, consider going to the National Convention in St. Louis. You will be able to mix, mingle and learn from 10 times the number of ladies that were at Forum. That means 10 times more awesome than Forum, hard to imagine, but very true.

Well, summer is almost here and we have several things planned for us as a chapter. Be sure to mark your calendar so that you do not miss out on anything.

National Elections will be held in June. You will receive a ballot via e-mail, be sure you have a valid e-mail address on file with National. I will bring a laptop to our June general meeting so you can vote if you have not already done so. You can go on the National website and read about each candidate as well as ask questions of any of them. Vote for those running unopposed as a show of your support to them.

Congratulations and thank you to those elected to our board for next year. Your willingness to serve is much appreciated.

Be involved, it is the best way for you to grow as a NAWIC member and for you to help in the growth of other NAWIC members.

# Membership

Stacey Bailey, Bailey Co, chairman

We had a great turn out from our Membership this past weekend at Forum. Thank you to all the members who participated. We had a guest at the May monthly meeting. Try and invite someone to attend with you during the June meeting. We are gearing up for a great Membership Mixer for the 4<sup>th</sup> of July celebration at the Beaman residence for a summer BBQ. Watch for details on the BBQ in the upcoming month.

# Professional Education

Sara Hamilton, Greene County, Chairman

Michele Charlebois-Didreckson. Michele works specifically with non-traditional students at OTC, both at the high school and post-secondary levels. She possesses a great deal of knowledge and works very closely with the students. It is through Michele's efforts that OTC has state "Breaking Traditions" student and instructor award winners.

We will not have a speaker in July since we will not hold a regular monthly meeting.

### Things You Should Know

You should have received your ballot by email already. Please take a moment and vote—we have one office, President-elect, that has 2 candidates running. Your vote **DOES** count. Do not forget to check the box next to the other candidates, also. They like to see those votes; shows you are supporting them. *It is important.*

Just follow all the instructions in the email.

It would be awesome if our chapter had a 100% participation in this election.
